FABRIC INFORMATION

Pattern matching: Our fabrics come in a variety of designs such as stripes, florals, and geometric patterns. The larger designs in these categories require pattern matching and are indicated with a †

All our striped fabrics or patterns that form stripes will bow and distort on the buttoned evergreen upholstery range. It is for this aesthetic reason that we do not recommend these fabrics for these pieces. These fabrics are indicated with a *

Colour matching: Irregularities such as slubs are inherent characteristics of fabrics which contain fine natural yarns. Every effort is made to keep the colour constant between dye batches, but the fabric manufacturer cannot guarantee exact matching. Pile fabrics may flatten during use resulting in a shaded appearance. Please ask for a stock cutting if an exact shade is required. All fabrics are subject to availability and all fabrics will fade in the sun.

All our fabrics are Flame retardant and have been tested by the supplier and comply with the requirement of **The Furniture & Furnishings (Fire) (Safety) Regulations 1988 to BS 5852 Part 1 Source 0 & 1. Cigarette and match.** All our fabrics have been tested by the supplier and pass, at least, the General Domestic **Martindale abrasion test ISO 12947-2**
